

**GOVERNMENT OF NCT OF DELHI
DEPARTMENT OF HEALTH & FAMILY WELFARE
9TH LEVEL, A WING, DELHI SECRETARIAT
I.P. ESTATE, NEW DELHI-110002**

File No.PA/SS-II/H&FW/2020/Covid-19/Part-VI/771

Dated:28.4.21

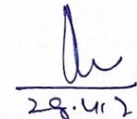

ORDER

A detailed inter-se allocation of oxygen to hospitals in Delhi was worked out vide this Department order of even number 669 dated 27.04.2021 and it's partial modification order No.770 dated 27.04.2021. In partial modification of these orders, the following are ordered:

1. The hospitals which use cylinders were allowed to receive their allotted quantity from any of the re-filling plants mentioned in Annexure of the aforesaid orders. Now, specific supplier is allotted to each hospital to get their supply of oxygen out of total allotted quantity of oxygen. (Annexure-C).
2. For every refiller a link re-filler has also been provided in Annexure-C. The hospitals are at liberty to source their supply from link re-filler if there are capacity constraints at the main supplier or the refilling at link supplier can be faster in cases of emergency.
3. While all care has been taken to compile this order, it is possible that all hospitals may not have been optimally linked to their preferred supplier. In such an instance, any hospital or refiller may provide details of proposed modification, alongwith justifications on e-mail address oxygen.delhi2021@gmail.com.
4. All suppliers (including refillers) and hospital shall continue to update the details of quantity of oxygen dispatched and received either from main source or link refiller at the website <http://cfwcst.delhi.gov.in> on a daily basis.

The rest of contents of this Department's orders No.669 dated 27.04.2021 and Order No.770 dated 27.04.2021 shall remain unchanged.

Encl: **Annexure-C.**
