Minister of Law & Justice

It gives me great pleasure to extend my warm greeting and best wishes to the Delhi Medical Association on the occasion of MEDICON 2025, being held as part of the 66th Annual Delhi State Medical Conference. This annual gathering provides a valuable platform for medical professionals, researchers, and healthcare leaders to share their knowledge, innovations, and experiences for the advancement of medical science and patient care.

I commend the Delhi Medical Association for its continued commitment to medical excellence, professional education, and public health. As India strides toward achieving its vision of “Health for All,” such conferences play a pivotal role in nurturing collaboration, research, and innovation across the healthcare ecosystem.

I extend my best wishes for the success of MEDICON 2025 and hope that the deliberations will lead to meaningful outcomes that benefits both the medical fraternity and society at large.

With warm regards,

President, DMA

Dear colleagues,

I extend my sincere greetings and heartfelt congratulations to Dr. Ashwini Dalmiya Conference Chairman and the members of organizing team for the outstanding success of Medicon 2025, which concluded recently. The conference was a testament to the power of positive efforts, and I couldn't be prouder of the team's dedication and hard work. The conference showed once again that positive efforts bring positive outcomes.

The organizing committee's efforts brought together a remarkable blend of pertinent, practical, and engaging sessions, showcasing the latest developments in medical science. Kudos to the team for creating an unforgettable experience.

In an era where science and medicines are rapidly changing, it became the duty of organization like DMA to keep their members Updated. As an organization, DMA's commitment to updating its members on the latest advancements in medicine is truly commendable. Medicon 2025 was a shining example of this commitment, and I am confident that the office bearers and local branches will continue to deliver exceptional events in the coming months.

Regarding recent developments causing concern, be assured that office bearers are actively addressing these issues like Biomedical Waste, Renewal of NHF, Fire NOC, CEA with the authorities. We are working tirelessly to protect our members' interests and ensure their voices are heard.

Long Live IMA. Long Live DMA, Long live Branches.

Warm regards,

Dr Girish Tyagi
President, DMA

Hony. State Secretary, DMA

It is heartening to note Delhi Medical Association is organizing 66th Annual Delhi State Medical Conference on 23rd November, 2025 at Hotel le-Meriden, New Delhi. Delhi Medical Association is the largest NGO involved in health awareness in NCR Delhi. The role of Delhi Medical Association in various national health programmers is always crucial. On this occasion, Delhi Medical Association is also releasing a Souvenir containing scientific material which will be of great help to general practitioners.

In this conference in addition to useful topics of clinical importance and recent advances in medical science there will be deliberations on legal and ethical issues involved in medical practice and problems faced by medical establishment. I am confident that membership at large will benefitted and deliberations of the conference will go a long way in promoting the interests of association.

On this occasion, my heartiest congratulation to office bearers, Organizing Committee members and members of Delhi Medical Association and I wish the conference a great success.

Yours sincerely,

Dr. Satish Lamba

National President, IMA

Greetings from Indian Medical Association Hqs!

I am delighted to learn that the Delhi Medical Association (DMA), the esteemed and historic Delhi State Branch of the Indian Medical Association, is organizing its 66th Annual Delhi State Medical Conference MEDICON 2025 on 23rd November 2025 at Hotel Le-Meridien, New Delhi.

The DMA has always stood as a beacon of professional excellence and ethical medical practice since its inception in 1914. Over the years, it has consistently upheld the values of the Indian Medical Association by promoting academic advancement, professional unity, and social responsibility among the medical fraternity.

MEDICON 2025, with its rich academic sessions and participation from distinguished national and international faculty, will undoubtedly provide an excellent platform for knowledge sharing and for updating ourselves with the latest developments in medical science and technology.

I extend my hearty congratulations to the President, Office Bearers, and the Organizing Committee of DMA for their dedicated efforts in bringing together such an enriching academic event.

My best wishes for the grand success of MEDICON 2025 and for the continued growth and glory of the Delhi Medical Association.

With warm regards,

WORLD OSTEOPOROSIS DAY

Stronger Bones. Healthier Life. Early Detection Saves Lives.

Osteoporosis, the “silent bone disease,” affects **1 in 3 women and 1 in 5 men above 50 in India**, often going unnoticed until a fracture occurs.

Sir Ganga Ram Hospital is proud to mark **World Osteoporosis Day**, spreading awareness, educating the community, and offering **advanced diagnostics and care** to prevent fractures and maintain lifelong bone health.

Highlights

- **Awareness Sessions:** Learn about risk factors, prevention, nutrition, and lifestyle changes.
- **Expert Consultations:** Meet leading endocrinologists, orthopaedists, and nutritionists.
- **Screening Camps:** Bone Mineral Density (BMD) tests.
- **Advanced Diagnostic Tools:**
 - DEXA Scan (Dual-Energy X-ray Absorptiometry) – gold standard for detecting low bone density early.
 - High-Resolution Peripheral Quantitative CT (HR-pQCT) – precise bone microarchitecture assessment.
- **Latest Treatment Options:**
 - Targeted Medications & Hormone Therapy: Reduce fracture risk by up to 50%.

- Minimally Invasive Orthopaedic Procedures: Faster recovery post-fracture.
- Lifestyle & Nutrition Programs: Tailored plans for calcium, vitamin D, exercise, and fall prevention.

Why Awareness & Technology Matters

- Over 30 million Indians are at risk of osteoporosis.
- 1 in 3 women & 1 in 5 men over 50 will experience an osteoporosis-related fracture.
- Early detection and intervention can reduce fracture risk by up to 50–60%.
- Advanced diagnostics combined with modern treatment strategies allow safer, faster, and more effective bone health management.

A simple Bone Density Test can prevent fractures and pain down the line. At Sir Ganga Ram Hospital, your well-being is our priority.

MESSAGE

Hony. Secretary General, IMA

It gives me immense pleasure to extend my heartfelt congratulations to the Delhi Medical Association on the occasion of its 66th Annual Delhi State Medical Conference (MEDICON 2025) being held on Sunday, 23rd November 2025, at Hotel Le-Meridien, New Delhi.

MEDICON has always been a prestigious platform for the medical fraternity to share knowledge, exchange experiences, and discuss innovations in healthcare. The focus of this year's conference on Cardiac Sciences, Oncology, Orthopaedics, Nephrology, Urosurgery, and other contemporary medical disciplines reflects the dynamic and evolving nature of modern medicine. These subjects are not only of great clinical significance but also directly impact patient outcomes and quality of life.

I am confident that this conference will stimulate insightful discussions, promote evidence-based practices, and inspire young doctors to contribute meaningfully to the advancement of healthcare in India.

I wish the conference a grand success and hope that all participants gain proper knowledge and lasting professional connections.

Long Live IMA!
